

Matthew's Weekly Schedule: Week of November 1-5

Suggestions:

- Highlight tests and quizzes in yellow
- Use red to type important reminders
- Always leave room to add items as they arise during the week
- Get in the habit of reading through the following day's schedule the night before either with your child or if they are older elementary, by themselves. You can always gently "quiz them" on the next days events
- Leave this schedule in a prominent place (kitchen counter, refrigerator door)
- Create a new one every Sunday

(Sunday night): Read Monday's schedule with your child to prepare for Monday morning
