

Hanover Township School Age Child Care – Camp HTSACC 2022

Counselor in Training Program APPLICATION

Application Information: Teens interested in joining the Counselor in Training Program must apply. The application process includes an interest form (below), a brief essay, 2 recommendations, and an interview, which **must be received on or before May 27, 2022**. Please be aware that not everyone who applies may be offered a spot in the program.

Hanover Township residents entering grades 9 and 10 can apply to be part of the Counselor in Training (CIT) Program for Camp HTSACC. The program is designed to train teens to become leaders in a camp setting. CITs will learn many skills and techniques for leading activities and directing small groups in a fun setting with their peers. They will be assigned to a specific group and supervised by a Group Leader and/or experienced staff at all times. This program is excellent for someone who wants to work with children. It is also a great program to add to a resume for college applications!

While the CIT Program assists in the training and development of teens who are interested in working in a camp setting, a counselor position is **not guaranteed** upon completion of this program. CITs will be considered for a counselor position based on openings, enrollment, and performance, if they should apply.
