

Digital Accounts for Students

The students of Hanover Township Public Schools use the learning platform, *Clever*, to access all of their digital accounts. Clever is compatible with a laptop, desktop, Chromebook, or iPad. We recommend using the latest version of Google Chrome for an optimized experience.

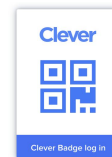

Please follow the directions below on how to access your child's Clever account.

Signing in with a **District-Issued** Chromebook

STEP 1

Grades K-2

1. Turn on the Chromebook and select, **NEXT**.
2. Hold your child's Clever badge to the camera to sign in.
(Clever badges are distributed by your child's teacher).

Grades 3-5

1. Turn on the Chromebook and select, **Sign in with a different account**.
2. Enter your child's Google username and password.
(Given by your child's teacher).

Signing in with a **Personal Device** (Desktop, Laptop, Chromebook)

STEP 1

Sign out of your personal Google account from Chrome.

1. On your computer, open Chrome.
2. At the top right, click on your profile. 
3. Sign out.

- **OR** -

Turn off Sync.

1. On your computer, open Chrome.
2. At the top right, click on your profile. 
3. Select *Sync is On*.  Sync is on
4. Select Turn off. 

STEP 2

Sign into **Clever**.

For assistance with signing into Clever, please click [HERE](#).

1. Students in **Grades K-2** sign in with a **Clever badge**.
(You must allow Clever to access your camera).
(Clever badges are distributed by your child's teacher).

2. Students in **Grades 3- 5** sign in with a
Google **username and password**.
(Given by your child's teacher).

- Mobile phones are not recommended. The Google mobile apps have limitations and can limit functionality.
