Dear Mountview Families,

Welcome back! We are looking forward to another successful school year and we know that working together with you, our students' parents, helps to ensure that success. Serving as a room parent is one way to support that growth and an excellent way to stay involved with your child's school experience. We don't quite know yet what we will and will not be able to do due to the pandemic; however, having room parents in place early will be helpful.

Room parent duties include soliciting support and communicating about various classroom events (celebrations, volunteer opportunities, and field trips-likely not this year), as well as other related duties. One key piece involves your communication with parents and the school nurse regarding food for celebrations so that we ensure all students are kept safe. Please note, in an effort to keep all of our students safe, we have implemented specific food guidelines and snack choices for parties. We're hopeful that this more simple process will help to streamline the process for our volunteers.

The selection of homeroom parents is handled by your child's teacher, not the PTA. Each teacher will randomly choose one name from a "hat" on Friday, September 17. (Kindergarten chooses two, as they will have two class parents for each class). *If you are interested in serving as a homeroom parent for your child's class this year, please fill out the online survey via the link, below, by **Thursday, September 16**. We cannot accept any late forms.* You will receive notification from your child's teacher if you are chosen to serve as a homeroom parent.

We are so fortunate to have such a supportive family network. Thank you! Please know that parents are welcomed participants in the MTV educational experience and if you are not available to serve as a room parent, or are not chosen, there will still be opportunity for you to support and participate in your child's school experience.

Thank you,
Mountview Road School Faculty
