

# How Well Do You Know MTV PTA?

Mountivew Road School is fortunate to have awesome volunteers to help run our PTA programs. Last year, they clocked over 1,500 service hours by running committees, helping at events, and that doesn't include our Tricky Tray or Executive Board activities! Our PTA programs offer diverse opportunities for caring people to volunteer, enriching the school experience for MTV students. What can you do to help out?

Our lunchtime volunteers are amazing and have quite a workload. Check out those numbers! Do you have an hour to spare?

MTV PTA provides mini-grants to fund activities like the 4th grade Rocket Launch and 2nd grade Get up and Grow. Teachers are also eligible for classroom grants to help replenish supplies in their classrooms.

Historical Theater	Laser Music History Show
STORY PIRATES	STEAM Museum
Zentangle	Storytelling and Writing
Dance & Music	...and much much more

The Cultural Arts program provides in-school assemblies, workshops, and experiences for all grade levels. The diversity of the programs helps to enhance the school curriculum and exposes the students to the world of the arts.

90 new books were donated to the library through the Birthday Book Club 2016-17.
