

# Hanover Township PUBLIC SCHOOLS

---

November 18, 2024

Dear HTPS Community:

As you know, in June 2023, the Board passed [Policy #8463, entitled "Parental Notice Required."](#) The NJ State Attorney General brought a legal action against the Board to prevent the district from enforcing this policy, and the Trial Court granted a preliminary injunction doing just that. We are going before the Appellate Division on Tuesday, November 19, 2024, at 10:30 a.m., to be heard in overturning the Trial Court decision and to allow our Policy #8463 to be implemented.

We hope to see you there showing your support, but for those who wish to watch online, you can click the following link for live access:

Yours Truly,

The Hanover Township Board of Education
