

SUMMER READING IS AS EASY AS ABC...

June 2019

Dear Boys and Girls,

I hope that summer reading is on your list of summer highlights! Reading over the summer helps your brain stay fresh by making you think and teaching you. It also helps your transition back to learning in September easier. But beyond that, reading takes you places and with so many options, reading can be done in a million different ways. One could say that reading is as easy as ABC...

Here's your 2019 Miss Bellino Summer Reading Challenge:

- ☺ Read (a lot)!!!
- ☺ At the end of the summer, send me your **ABC activity sheet** and a **picture of you reading!**

How does the ABC sheet work?

Fill in as many letter boxes as you can (You can, but aren't expected to, fill out every one). Each letter should relate to something involving reading (be creative!). (See my example.). Here are *some* ideas ... Share about:

- ☺ Places you read
- ☺ Book titles or authors you read
- ☺ Characters you met
- ☺ Where you read
- ☺ What you learned from your reading
- ☺ People you read with

Send your pictures/ forms to:

If you need a new sheet over the summer, you can visit our website and simply print it out: <https://www.hanoverwpschools.com/Domain/814>.

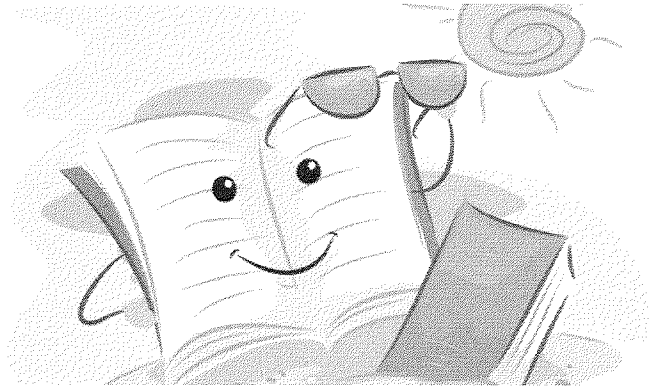

Finally, once again, I invite you and your family to our annual Reading Soiree. This year it will be held **Tuesday, July 23rd at 10AM** – rain or shine! Specific information is on the back of this letter.

I look forward to receiving your pictures and sheets this summer! You can mail them to school, email them, or drop them off. I hope you have a fun and safe summer ... and I hope you meet many new characters and travel to exciting new places, both in person, and through the pages of your books! Thank you!

Kindly,

Miss Bellino ☺
