Mountview Road School

School Supply List

Student Assigned Headphones

Dear Mountview Road Families:

With the ever increasing technology and digital content being used with the students of Mountview Road School, the need to have a pair of comfortable headphones within reach for each child has become increasingly necessary. Whether it be in the classroom, media center or computer lab, children have access to various forms of technology where listening to applications is required.

As part of the school supply list, we are asking that each child bring in their own individual pair of headphones. These headphones will only be used by your child, will be stored in the classroom, and used throughout the day. Headphones should cost \$15 or less (no wireless headphones please) and must be easy for the child to use. We find on ear headphones are easiest to use and more comfortable. The headphones will be returned to you at the end of the school year.

Here are some examples of headphones, and where to buy them:

*Please be aware that prices may change. There are many other options available.

Walmart

Please bring the headphones in a plastic bag labeled with the child's name along with the other school supplies at the start of the school year.

Thank you in advance for your help!

Please feel free to contact us with any questions.

Enjoy your summer!

Carmen Bellino
Principal

If this presents a hardship for your family, kindly reach out to Miss Bellino. Your child will be loaned a pair of headphones to work with for the year.
