Dear Parents,

Hello! We are contacting you in anticipation of our “Creativity Fair”! **The Creativity Fair will run from 1:30-3:00 PM during the school day on *Thursday, February 15th*, and after school from 6:30-7:30 PM in the Gym at Mountview Road School.**

Creativity Fair is a vehicle designed to allow your child to use their creative talents as they participate in a school-wide event highlighting innovative student creations throughout the curriculum. Creativity Fair is similar to a science fair, however it is not limited solely to a science project. It is suggested that you assist your child in brainstorming some potential innovative and creative ideas for Creativity Fair projects.

Students in kindergarten through fifth grade are eligible to participate in Creativity Fair. In order to participate, we kindly request that you fill out the entry form and return it to your child’s teacher by **Friday, December 8th**. It is important that you submit an entry form so that we know how many entries to anticipate. Categories of submission will include: Science, Social Studies/Multiculturalism, Reading/Writing, Mathematics, Art, Music, and Environmentalism. Other entries could include stories written by children, various art projects, science experiments, posters depicting information from another country and culture and many other exciting ideas. The possibilities are endless!

Should your child wish to participate in Creativity Fair, projects are due at school on Wednesday, February 14th. The teachers will be setting up for the fair on this day after school. Students should plan to work independently on this project. If siblings would like to collaborate on a project, that will be permitted, but all other projects should be completed independently.

We wish to thank you in advance for your attention to this exciting school-wide initiative.

Mrs. Gervasio, Mrs. Huettenmoser, Mrs. Rothman, Miss Bracho, and Miss McNally
