Hanover Township Board of Education Statement Regarding Insurance Coverage

Due to an influx of misinformation circulating on social media and throughout the Community, the Board feels it appropriate to make Hanover Township aware of the extent of insurance coverage afforded to the District with respect to the pending legal dispute and all attendant proceedings between the Attorney General and the District over Policies 8463 and 5756. Suffice it to say, the District is covered with respect to ALL defense costs and liability, including attorneys' fees, up to and including \$1,000,000, less a deductible of \$10,000. The policy's \$100,000 cap on certain claims does not apply.
