

Hanover Township PUBLIC SCHOOLS

DISTRICT EMERGENCY NOTIFICATION SYSTEM UPDATES

New Notification System: We're switching from **SwiftK12** to **School Messenger** as our primary communication tool for emergency school closings, delays, and early dismissals, as well as other important updates and safety alerts.

Opt-In Reminder: You can participate in this free service by sending a text message of "Y" or "Yes" to our school's short code number, 67587. You can also opt out of these messages at any time by simply replying to one of our messages with "Stop."

System Test: On Thursday, August 29 @ 12:00 PM, you will receive an email, voice, and text message with a "TEST" message. If you do not receive a notification, please contact your child's respective school.

Activation Date: The School Messenger system will be **active and utilized starting September 1**. Make sure you're connected to stay informed.

Additional Communication Channels:

- **District Mobile App:** Download the "Hanover Twp Public Schools" app from your App Store (Android or iPhone). Look for our traditional school house logo.
- **District Website:** Updates will also be posted on the homepage of our district website: www.hanovertwpschools.com.

We appreciate your cooperation as we implement our new District Emergency Notification System. If you need additional assistance, please email techsupport@htboe.org. We're committed to keeping everyone informed and safe throughout the school year!
